Diabetes		

Are there other services that we should consider? If YES, please list these below and reason why they should be considered.

Service	Reasons

How we will select the providers of the new services

These are some of the points we will take into account when choosing who will provide the service. Please tell us how important these points are to you by scoring each one.

	Points	Circle your choice			
		1 = Most important	2	3	4 = Least important
1	Ability to provide the range of services listed above	1	2	3	4
2	Their plans for providing easy access to services <i>For example:</i> <i>Opening times</i> <i>Length of appointments</i> <i>Length of appointment with a Doctor</i> <i>Getting through on the telephone</i>	1	2	3	4
3	Cost	1	2	3	4
4	Ability to provide services which are safe and of a high quality	1	2	3	4
5	How they will involve you in the way services are provided including changes to the way they are run <i>For example:</i> <i>Listening to you and treating you with dignity and respect</i> <i>Understanding of local health and cultural needs</i>	1	2	3	4
6	Their approach to employing and developing staff	1	2	3	4
7	Up to date modern facilities and equipment	1	2	3	4
